"Of course I can accept you for who you are.
You are someone I need to change."

What is a man?
 Is he someone who is strong and tall,
 Or is taut and talented as he plays ball?
 Is he someone who is hardened and rough,
 Who smokes and drinks and swears enough?
 Is he someone who chases women hard,
 With a quest to conquer, but never dropping
 his guard?
 Is he someone with a good business mind,
 Who gets ahead of the others with his nose to
 the grind?
 Or is he someone who tries his best,
 Not really caring about any of the rest?
 What is a man? Does anyone know?
TELL ME!
 Who is the prototype? To whom shall I go?
